					An Evening with Sam Quinones			

February 22nd

"Let's Go DaVinci"

11:30am-1:00pm

Edinburg Student Union

This is a painting event where students will be guided to paint their feelings about their past so they can begin to let go and transform their present. They will be supplied with all of the necessary materials.

February 23rd

An Evening with Sam Quinones

Time is TBA

Edinburg Plains Capital Theater in the Student Union

Sam is an acclaimed journalist and author who wrote the award-winning book *Dreamland* which unravels the story behind today's heroin epidemic in America.
