

# Explore Seoul with a Korean Friend!

## -친구와 같이 서울, 코리아!

An online adventure through the history and culture of Seoul, with peer guides

The ICI and the Seoul City Government will be holding an event, < Explore Seoul with a Korean Friend! (친구와 같이 서울, 코리아)> in November 2020, through YouTube and online meeting.

The immigrated teenagers who take part in this program will experience the history and culture of Seoul with peer guides. Who are immigrated teenagers?

We mean young girls and boys who were born in other countries, but came to Korea with their parents, who work here, got married to a Korean citizen, etc.

These youths might find many things in Korea foreign and unknown.

Our goal is to team them up with their Korean peers (who speak English), and let them experience Korean culture in a meaningful way.

Also, a fun and interesting Korean language class is waiting for you!
